May Newsletter

Hello Rose Division,

The school year is over for most of us, and beginning to end for others, but the end of the school year does not mean the end of our service. It is a beginning to have more time and fun without the stress of homework and exams. So be sure to enjoy yourselves in the sun while kicking back with service.

First DCM Information

The exact information for my first DCM will be released within the next month. The first meeting will be held in mid to late July or early August.

Key Club Pledge:

I pledge, on my honor, to uphold the objects of Key Club International; to build my home, school and community; to serve my nation and God; and to combat all forces which tend to undermine these institutions.

Key Club Mission

Key Club is an international student-led organization which provides its members with opportunities to provide service, build character, and develop leadership.

Inspirational Quote:

"Unless someone like you cares a whole awful lot, nothing is going to change. It's not." ~ Dr. Seuss

Riley Pledge

For the next few years, Key Club has made a pledge to donate $100,000. With the sheer amount of hard working, dedicated service members, I am sure we can surmount this. Any contribution will help, and even fundraisers could help this pledge raise money faster.

International Convention (ICON)

This year, ICON will be held in Atlanta, Georgie on July 5-9. It is the biggest event of the Key Club year, and an estimated 1,600 key clubbers will be attending from across the United States, Canada, and the Caribbean. There will be opportunities to listen to speakers, learn about leadership, elect the Key Club International Board, and hear about success over the year.

Club Visits:

If your clubs are still meeting during the summer, please feel free to contact me and invite me to your club meetings. If not, that's okay. I can visit your club sometime during the school year too. I am more than willing to come and meet all of you, so please send me an invite or I will get in contact with your club so I can try to be there.

New Club Officers

New Club officers should have been already elected, and maybe some of you elect new club officers at the very beginning of this upcoming school year. The new club officers that have been elected need to send in their information to me. I will need the email, name, and phone number of each club officer.

Club Officer Training

With new club officers comes club officer training. Club officer training can be done at a club visit or a DCM. Training is a great way for the new officers to have a good feel about their position and responsibilities. It also gives a bond between the officers so they can work together throughout the next year.
