- Regular Dues deadline is December 1st (Clubs that do not have their dues turned in by this date are at risk of suspension)

Club Monthly Reports:

Attention club secretaries: we want to know how your clubs are doing! to give feedback on how everything is going in Key Club this year, please answer the questions on the google form on Key Club's website: www.inkeyonline.org

3 Wishes Fundraising Ideas:

One important task your club should consider taking on is raising money for 3 Wishes. For example, you could have a bake sale or do a miracle minute, which is where everyone has one minute to put any amount of money they want into a jar, which would then be donated to 3 Wishes. There are many different ways in which you and your club can raise money; don't be afraid to get creative! Also, the goal has just been updated to $2,000, so be sure to do all you can to raise money!

DLC 2019

While District Leadership Convention (DLC) is not until the spring, it's not too early to start saving money for it! Some ways you and your clubs can raise money is by doing bake sales or having jeans day at your school.

CLUB DUES

Each key club member must pay an entry fee of $7 to be an official club member. Please encourage the club members in your school to turn in their money as soon as possible!
