For those of you that do not know where that is, it's right next to the Greenwood Park Mall. The address to this location is 1251 US Highway 31 North Greenwood, Indiana 46142. Please come out for a fun afternoon meeting with other Key Clubbers!

Key Leader Review

Key Leader was an amazing experience for all that attended! Throughout the weekend, we did a lot of team building exercises and learned different principles that helped us develop good skills in order to become better leaders. It was a great chance to meet so many other devoted Key Clubbers and I, myself formed so many new friendships. If you missed out on this year's Key Leader, don't worry, there's always next year and I would definitely recommend going for anyone wishing to grow their leadership skills!

Dues

Dues, dues, dues!!! Get them in as soon as possible! For those that didn't get to send it in by the early bird date, don't worry! You have until December 1st to send them in! If you need help or have any questions, please ask me!

Fall Rally Review

Central Fall Rally was a huge success! Thank you to everyone that came. The day was filled with fun, food, games, and service! We had over 25 people in attendance and the positive energy throughout the rally was amazing! As a whole, we were able to make about 8 no-sew blankets for the kids at Riley Hospital as our service project.

The picture on the right is from Key Leader. My neighborhood and I got to do a lot of team building exercises and this was one of them!

This picture was also taken at Key Leader. A few of my friends and I went hiking in the morning and got a picture by the "caves."

Pacers Game

The Indiana District Board made a pledge in April to donate \$100,000 to Riley Children's Hospital. Along with that, we have teamed up with the Indiana Pacers to raise money for this wonderful cause. A portion of the sales will go towards the 3 Wishes Campaign. On December 10th, the Pacers will face off the Portland Trailblazers at Bankerslife Fieldhouse. So, we are selling tickets for this game for ONLY \$25! Please note that ticket orders are due by November 18th. I have attached the order form to this email. If you will be attending this game, please meet at the Monumental Circle at 5:30pm for pictures! I hope to see a lot of you there!

Goals

As a Lieutenant Governor, I have set many goals for myself since the beginning of my term. I strive my best everyday in making these goals come to a reality. I have accomplished some goals, but that doesn't mean I get to stop here and take a break. A few of my goals for the rest of my term are to visit my last three clubs and participate in their events as much as possible. Another big goal I've had since the beginning is to help each and every one of my clubs grow their memberships. It's important to me to spread the word about Key Club and to get teenagers involved in this amazing organization. Lastly, I hope to grow the bonds between the clubs in my division by holding more successful Divisional Council Meetings.
