September Edition

Hi Capital Division Key Clubbers!

I hope you are having a relaxing start to your fall breaks! As fall creeps in, that means Fall Rally and Key Leader are right around the corner! More information on these two events will be mentioned further down. And as always, if you have any questions, please do not hesitate to contact me! I hope you all have a fun and safe Halloween!

## Dues

Don't forget to pay your dues! Please remember that early bird is November 1st. If your club turns it in by that date, there are special prizes your club can win, so turn them in as soon as possible! Normal dues are due December 1st, but the earlier you can get them turned in, the better! Please let me know if you have any questions about dues.

## DCM

For those of you who couldn't make it to the September DCM, it was again a huge success! Thank you so much to everyone that came to the meeting. For those of you that attended, I hope that you had a fun time meeting some of the District Board members. Our next DCM will be sometime in November. I will keep everyone updated as far as the exact date.

## Key Leader

Do you like being outdoors? Do you like meeting new people that have the same passion for service as you? Then Key Leader is the perfect event for you to attend! Key Leader this year will be from November 4th-6th at Camp Tecumseh in Brookston, Indiana. It is a fun-filled weekend that will include a lot of team building exercises, a chance to meet other Key Clubbers, and spend time outdoors all while having fun. I've heard many good things about Key Leader and I hope that you will register to go! Registration is closing up soon, so if you are interested, please visit [key-leader.org](http://key-leader.org). There is a special discount for the first 75 students that register using the code INKF16. If you need help registering or simply just want more information on this, please ask me!

## Governors T-Shirts

As part of Governor Schuyler's project, he is selling T-Shirts online for the Indiana District. The shirts will be available for Key Club, Circle K, and Kiwanis. The goal is to have 500 total shirts ordered from all of the K-Family. The money earned from this project will go towards the 3 Wishes Campaign and the pledge of raising \$100,000 over the next four years. Please visit [inkeyonline.org](http://inkeyonline.org) to purchase yours today!
