

# KEY CLUB

## June Newsletter – Collegiate Division

### Introduction

Hello fellow Key Clubbers! I hope all of you have had an amazing summer so far, I know I have! In this June newsletter, you will read about club visits, officer training, fundraising and volunteer ideas, and last but not least, upcoming events around Indiana! Now let's jump into an amazing month!

- June DCM (Division Council Meeting) – July 27<sup>th</sup> at Buffalo Wild Wings from 1pm – 3pm (1310 Indianapolis Rd Greencastle Indiana 46135)

**Three Wishes**  
**Fundraising Ideas**

As a part of the Three Wishes Campaign committee, I am in need of some volunteers to spread the word in helping this organization. Some fundraising ideas could be passing around a bucket at your high school football, basketball, and volleyball games. You could also sell t-shirts or even have a dress up week at school and charge a dollar per day to dress up. The possibilities are endless when it comes to fundraising!

**Membership Recruitment**

As this school year kicks off, we will be on the lookout for new Key Club members to recruit! I would love to have many more members involved this upcoming year. Hanging up posters, with all the fun information about key club, around your town would help get the word around about how awesome of a club this is! Let them know the fun events that happen throughout the year.

## Club Visits

I am planning to attend a minimum of one visit per club in the collegiate division throughout my term. During each visit, I would like to explain my position and get to know what is happening in your club. Visiting each club will also help me choose what club will be in the spotlight on my upcoming newsletters!

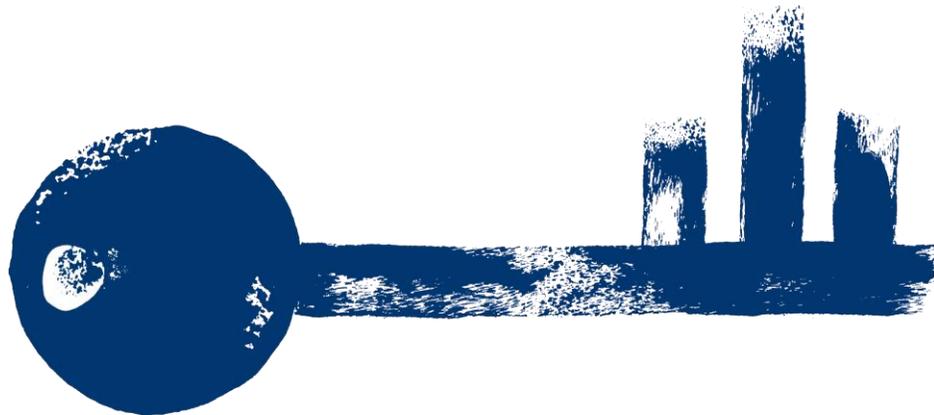

PEACE

LOVE

HOOSIER

## Club Officer Training

If you are an officer in your club, you will want to attend a training session! Basically you will be learning what you should be accomplishing through the year as an officer. Training will include activities, information you will need to know, and much more! I am planning on having the collegiate division officer training during the fall, so be on the lookout for more information in July's newsletter.

## Serving through the Summer

Attention all club members! Volunteer hours during the summer are crucial when it comes to May and you are in need of extra hours. There are so many fun ideas to choose from! Some things you could do are helping out wash the animals at your local shelter, direct traffic at your county fair, and even walking dogs around the neighborhood. The list goes on and on!

The poster features a dark blue background with a yellow sun in the top right corner. The Key Club International logo is in the top left. The title 'Summer Service Ideas' is in large white text. A list of service ideas is scattered across the page, including: 'Pick up trash in a park or on a trail', 'Work at a soup kitchen', 'Make coloring or reading books for children in the hospital', 'Have a canned food drive in you neighborhood or town', 'Volunteer at a local recycling center to sort items', 'Help a neighbor with yardwork or offer to wash their car', and 'Take cold drinks to construction workers on a hot day'. The bottom of the poster is decorated with a beach scene including a palm tree, a beach chair with a drink and sunglasses, a sandcastle, a crab, and a turtle. Social media handles and the website are listed in the bottom left.

## Club Social Media Accounts

As an LTG (lieutenant governor) for the Indiana district board, it would be a pleasure to follow the clubs in the collegiate division on social media! I would appreciate if I could receive at least one platform of social media for each club.
