

# KEY CLUB

## May Newsletter – Collegiate Division

### Introduction

Hey all Collegiate Division Key Clubbers! In this May newsletter, you will read all about what is happening on the District and Executive board including some upcoming events and what we all have been up to for making sure this year runs smoothly.

### About Myself

I am McKenna Speier, or known as Kenna! I am currently sixteen years old going into my junior year at North Putnam Senior High School in a small town called Roachdale. Some of my hobbies are playing soccer, swimming at the local pool, and being outdoors with friends and family. I play varsity soccer for my school and we are the lady cougars! I am quite the perfectionist when it comes to school work and activities I do at home. When you do not see me doing any of the activities listed above or working on papers for Key Club, you can find me at church or youth group! I have many goals when it comes to my position on the Indiana District Board of Key Club and cannot wait for my upcoming year as the Collegiate Division LTG!

## DLC Recap

The entire weekend of DLC, Key Clubbers from all over the Indiana District gathered together to celebrate the past year of service. We achieved this through different workshops which built up leadership and public speaking skills, and even elected our new executive board. Through this experience, we were able to gain new knowledge and advice on how to help our clubs flourish in the future. The experience was surreal and it's an opportunity no one should ever pass up! We hope to see you next year at DLC in April 2019!

## ICON 2018

ICON 2018 will be held in Chicago, Illinois on July 4<sup>th</sup> through July 8<sup>th</sup>. The location where ICON is taking place is at the Chicago Marriott Downtown Magnificent Mile. Though it is past the date to sign up to attend ICON 2018, many other Lieutenant Governors from the Indiana District, apart from myself, are attending and will share pictures that will be shown in the July newsletter. In that letter, you will read about how life changing ICON can really be and it might even persuade you to sign up in the future!

## Senior Information

If you're a senior of the 2017 through 2018 school year, you most likely are sad that your time as a Key Clubber is over. If you're interested in furthering your participation in a Key Club like activity, there is actually an organization called Circle K. Circle K is special for college students just as Key Club is made for high school students only. If you're interested in joining Circle K, you may either contact your advisor or me if you have any questions! There is also more information on the Circle K website at [www.circlek.org](http://www.circlek.org).

## What's a DCM?

A DCM is a division council meeting where all of the Collegiate Division is invited to a meeting place and go over what is going on in our division. All seven clubs in our division may attend the DCM's that take place. Our first Collegiate DCM of the 2018 to 2019 school year will be held at Buffalo Wild Wings in Greencastle, Indiana on July 27<sup>th</sup> at 1pm. There will not be food provided at the restaurant, but if you want to purchase on your own, you may!

## Club Visits & Projects

Once school is up and running, I will be checking in with each club in our division to see what is happening in the community and to make sure everything is running smoothly. I will be in contact with all the advisors to set up a day for myself to visit each club. I will update everyone with what's going on in my schools club and hopefully we can brainstorm some ideas of new service projects available to us!

## Club Spotlight

Each month in every newsletter, I will be choosing a club that I put the entire spotlight on. I will be deciding the club by the different varieties of service projects done and how well they stand out in the community! When each project is completed, I will need you to send a short paragraph of what you have done so I am updated.

## Serving in the summer

During summertime, we all get caught up in having fun at the local pool and spending nights with friends at bonfires! We have those days when we just have absolutely nothing to do though. On days like these, it would be awesome to get extra volunteer hours! You could mow lawns for the elders in your neighborhood or wash cars for parents who are too busy to go get it washed!

## Governor's Introduction

Dear Indiana District Kiwanis Family Members,

My name is Colin Prince, and I am the newly-elected Governor for the Indiana District of Key Club International! With that being said, I would like to introduce myself and share my goals for the year ahead.

For those of you who do not know me, I am an upcoming senior at Bloomington High School South. I am a member of Bloomington Key Club, and my sponsoring Kiwanis club is the Kiwanis Club of South Central Indiana. Other than Key Club, I am involved in track and field, National Honor Society, Bloomington South Dance Marathon, and am a Leader of Panther Activity Council at my school.

One of my main goals for my term as Governor is to connect the Kiwanis family in the Indiana District. As we all know, Kiwanis is a key factor to the success of Key Club, and if we can better the communication and interaction between Kiwanis and Key Clubs throughout the district, then both Kiwanis and Key Club will benefit. During my term, I will be encouraging Key Club Lieutenant Governors to get in contact with their Kiwanis counterparts in order to ensure that both are up to date on the happenings in the district. I also encourage Kiwanis Club members to visit the different K-Family clubs in their respective areas to further the connection between the different branches of Kiwanis. If you ever have any questions or concerns about your Key Club Division, please let me and your Key Club Lieutenant Governor know.

This next year is going to be an unforgettable experience, and I will be sure to serve the Indiana District to the best of my ability. Please feel free to reach out to me with any questions or concerns!

Yours in Service,

Colin R. Prince
