

Land of Lakes

Clubbers,

It has been a long time since I have sent an email out! A lot has gone on throughout December and the early portion of January! My biggest news is that like stated in my last email, I ran for LTG again, and I will be the 2017-2018 LTG!! I cannot wait to have an even better year with you all next year! We have a lot to talk about so let's get to it!

Club Elections:

- 📌 School is slowly but surely coming to an end! It will be summer before you know it! Especially with this crazy weather, I'm not even sure what season we're in now! 😊 You guys will definitely want to start thinking about your club elections, when you will have them, who is going to run, and what the criteria will be! You want dedicated officers who will put their all into the club.
- 📌 If you would like me there at your elections that is great and I would love to come and help run it! Again, just send me an email or a text and I will find a way to get there!

Club Fundraiser Ideas:

- 📌 Fundraising is an important part of key club, whether you are raising money for your personal club, Riley's, or even to reduce fees for things like Key Leader, DLC, and ICON. I have some great fundraising ideas that we could do next year!
 - Bake-off
 - Car wash
 - Selling cook books
