### "Meet your (awesome) Governor"

I am a rising senior at Fremont high school, in Fremont Indiana - the very northeast you can get and stay in Indiana. My major goal for my term is to strengthen the retention rate for Key Clubbers so in the future there will be more Kiwanians. I plan to achieve this by inspiring teenagers into wanting to do more service throughout their entire lives. Also, I hope to exceed my district administration's and lieutenant governor's expectations by pushing my capabilities farther than I had ever thought they would reach.

## Meet your International Trustee

My name is Tiffany Hang, and I am honored to introduce myself as your 2016-2017 International Trustee. This year I will be serving the Indiana, Pennsylvania and the Utah-Idaho Districts. I am ecstatic to be able to serve alongside your district and see what great things we will accomplish together.

As International Trustee, I will serve as a liaison between the district and international levels. I will work alongside our sister districts and foster a strong relation between the three districts. I will communicate and correspond to you all information regarding Key Club International and will assist and represent the voices and opinions of the Indiana District.

To keep you all informed on the work and information regarding Key Club International, I will be contacting you all with emails as well as monthly newsletters.

## KEY CLUB KICKOFF

Like I have mentioned in my last newsletter, we are planning something different for this year for Fall Rally. This year we, the Heartland Division are joining other divisions around us for a Key Club Kickoff! As soon as I get more information about this I will contact your clubs as soon as possible. So be on the look for it!!!!

## KEY LEADER

Key Leader is coming up faster than you think. This year it will be November 4-6 at Camp Tecumseh. Registration is not yet open but will be soon. I definitely recommend it if you haven't gone before! The whole weekend will be filled with fun and learning combined! You will learn lots and lots of leadership skills to use in your community and in your club as well. It was definitely my Key Club moment last year, and got me to where I am today!

## New Beginnings, New Recruits

As we all know, much to our dismay, school is back in session. And that means....NEW RECRUITS!! Finding new recruiting techniques can be difficult but not impossible! One thing that most clubs do is have a call out meeting, and have it be extremely fun, but also make it a little informative. Such as tell them what Key Club is about—because most people don't. Another tip is, have food. If you don't know people love food, so if you tell people you are going to play games and have food—they have to join! If you have any questions or concerns about recruitment please don't be afraid to contact me! ☺

## Riley Fundraising

RILEY! As most of you know Key Club made a four year \$100,000 pledge to Riley. To reach this pledge we have to fundraise! And no that does not mean sell cookie dough or the old fundraisers that everybody is tired of hearing. A popular fundraiser that most people do is a Riley Dance Marathon, and it is always a big success. If your school already does that then you can come up with another fundraiser idea, maybe selling Wristbands for Riley or something like that. If you have any ideas please email me them and we will get it started for you! If you don't have any ideas, we will be coming up with some ideas at our next Board Meeting which will take place on August 26<sup>th</sup> - 28<sup>th</sup>, and I will put the ideas in my next newsletter.

## Governor Shirts!!

**Governor Schulyer will be selling t-shirts for his project this year. These t-shirts are one of a kind! They will be sold for \$15 each and will be available to order off the Indiana Key Club website. The design is being worked on currently, so it may change!**

## Division Wide Projects

For my Division-Wide Project my main focus is going to be local food pantries. My project will start August 31<sup>st</sup>, and it will be for the month of September. The item for September will be any canned food, so just bring any canned food to your club advisor and I will collect them at the end of the month. I'm not sure which food pantry September will be going to yet, but will let you guys not as soon as possible.

## DCM

My first DCM happened at the end of July, and only one person came. So for my second DCM I'm going to call it the Redo DCM. It will be at the end of the month of August, but I'm still figuring out the details. Once I do, I will send out an email. I will have the details by the end of this week! So stay tuned!

**DUES DUES DUES**

Get used to hearing this A LOT!  
You guys have to pay your dues, if not then your club has the potential of not being an official club!! Early Bird is November 1<sup>st</sup> and deadline is December 1<sup>st</sup> so get them in ASAP!
