

HEARTLAND HOTSPOT

JULY • VOLUME 2, ISSUE 3
KEY CLUB INDIANA DISTRICT

Heartland Lt. Governor Intro

Hey everyone! I hope you all had a great summer and are ready for the school year to begin. I am excited to see what kinds of projects and volunteering your clubs organize and participate in! I hope to attend a few of those events over the course of the year. And I hope *you* can attend all of the fun events that I've included in this newsletter! In the "What's Included" column on the right, I have bolded the events that you should strongly consider attending. Going to those will boost division unity and help you personally grow in your leadership skills. Anyway, I look forward to meeting with all of you in the weeks to come!

Yours in Service,
Lauren Wetterau

This is your new Riley Liaison Sydney Burnett and me at August board meeting!

ICON reflection

Key Club International Convention 2018 has come to a close, but the memories will never fade! From meeting Key Clubbers from around the world, exploring the Windy City, participating in a multitude of workshops, listening to motivational speakers, tearing it up on the dance floor, and more; ICON 2018 was truly a memorable experience! I highly recommend going to ICON 2019 in Baltimore, Maryland. If you wish to attend, I also encourage you to start fundraising and saving now! Much more information will be provided to you throughout the rest of my term.

The Three Wishes Campaign is a Riley Hospital campaign in the state of Indiana. The three goals of the campaign are to lower the age of diagnosis, raise awareness of autism, and reach all children. The average age of diagnosis in Indiana is much higher than other states' in the U.S. and our district would like to help change that. Two years ago, the Indiana District of Key Club International pledged to raise \$10,000 for this campaign in the next four years. Amazingly, we have already surpassed that goal! However, that does not mean we should stop trying to raise money for this important cause. I've included a list below of various fundraising ideas to serve as inspiration.

Fundraiser Ideas

- Bake sale
- Penny wars
- Restaurant fundraiser nights
- Car wash
- Mow lawns
- Ask for donations
- Miracle minute

Start of the School Year

The start of the school year marks the start of Key Club. It is also the biggest time of the year for recruiting new members to Key Club. Your club can contribute to this growth, and there are many unique and fun ways to help your club's numbers increase. Included below is a short list of ideas to help you get started with expanding your club. Remember that even though Key Club is big, every member still matters and has an impact!

Recruitment Ideas

- Flyers
- During morning announcements
- Social media
- Telling your friends
- Food!

We make a difference.

Fall Rally for Club Officer Training

The Hoosier, Collegiate, and Heartland Divisions will be doing our club officer training at the Balloon Fest in Bloomington, IN on September 8th. It will be from 10:00 a.m. to 2:00 p.m., and once the training is over, we will be volunteering at Balloon Fest as a fun service project. You can get a couple volunteering hours for doing that! At the training, we'll be addressing all of the requirements for each officer position – as well as some suggestions for your position that you may not see written down anywhere. Your regular members can also benefit from training; they can do a small service project while we are discussing the officer positions. So bring as many people from your club as you can. I can't wait to see you there!

Club Visits

I would love to attend each club's first meeting of the year! Please let me know when your club plans to meet so that I can schedule that on my calendar. Also, throughout the year I will be attending a few events with each club, so keep me updated on those plans as well.

Key Leader

Coming up is a weekend-long camp called Key Leader. It's all about building leadership skills, meeting other key clubbers from around Indiana, and most importantly, having fun! The camp is November 2 through 4, so be sure to sign up while you still can. For more information, go to <http://www.inkeyonline.org/key-leader.html>.

Dues

Part of being a member of Key Club is paying dues. These contribute to the budget for not only the Indiana District, but also Key Club International. You're part of something big and great, and that's something to be proud of! The early bird deadline for dues is November 1st, and I would love to see everyone meet that deadline. However, the concrete deadline is December 1st.

District Leadership Convention 2019

DLC is a weekend-long convention celebrating the Indiana District's year of service. While the dates and price are not confirmed yet, the convention will most likely be held sometime in March or April and the estimated cost is around \$300. So start fundraising and saving money now! The event is not just for your club officers; every Key Club member can get something out of this exciting and informative weekend. Below are a few ways to save/raise money.

Saving/raising money

- talk to your Kiwanis advisor about sponsorship
- set money aside every month
- bake sale
- car wash
- dog sit or babysit
