KEY CLUB INDIANA DISTRICT

Heartland Lt. Governor Intro

Hi! My name is Lauren Wetterau, and I am the 2018-2019 Lt. Governor for the Heartland Division. My time in this position has just begun, and I am so excited to see what the year has in store! This is my first newsletter, and I will be making one each month with information and updates on what is going on in the Key Club world throughout Indiana, as well as in the Heartland Division specifically. And just because it's summer now doesn't mean there aren't volunteering opportunities or things you should know, so make sure to read through everything! I look forward to a great year as your Lt. Governor!

Yours in Service,
Lauren Wetterau

Circle K Info (for seniors)

Good news for seniors who just graduated: you can continue to be involved in service even beyond high school! Just join a Circle-K group at your future college and keep up the volunteer work in your new community! For more information, visit www.circlek.org.

Service Opportunities

Summer is a great time to get involved in volunteer activities throughout your community and others. The Jennings County Key Club has a whole list of summer events they will be participating in, so if any of these sound like something you want to do, definitely join them!

- June 21: Good Samaritans Food Pantry @ 10:30am
2250 State Hwy 7, North Vernon, IN 47265
- July 5: Mercy Rescue @1pm (wear old clothes)
6870 W County Road 300 North, North Vernon, IN 47265
- July 19: Good Samaritans Food Pantry @ 10:30am

Visits

As your Lt. Governor, one of my responsibilities is to visit each club in the Heartland Division a few times each semester. This allows me to check up on your club and see the great work you are doing! I will be reaching out to each club at the start of the school year to arrange a day for me to sit in on one of your meetings, so watch for my email. I'm excited to meet you all!

District Leadership Convention Recap

DLC was a great opportunity for Key Clubbers from all parts of Indiana to get together and celebrate the past year of service. It was my first DLC, and I was amazed at how much I learned and how much fun I had! There was a variety of interactive workshops which taught things like leadership and public speaking skills, and we elected our new executive board. I am so glad that I had the chance to go because it was an experience I will never forget. I can't wait for DLC 2019, and I hope to see you there, as well!

First DCM

My first District Council Meeting will be on September 8 at the Chocolate Moose in Nashville, IN! I set the date far out in advance so people can coordinate rides there if necessary. I hope to see you there! I will provide more information on what will be discussed in the June and July newsletters.

ICON

This year's International Convention will be held from July 4th through 8th in Chicago, and Indiana is co-hosting! It is sure to be an exciting, eye-opening experience for all who attend. Unfortunately, I will not be able to be there, but I am excited for everyone who is going! I will include a recap of the convention from someone who went in next month's newsletter.

Governor Intro

Dear Indiana District Kiwanis Family Members,

My name is Colin Prince, and I am the newly-elected Governor for the Indiana District of Key Club International! With that being said, I would like to introduce myself and share my goals for the year ahead.

For those of you who do not know me, I am an upcoming senior at Bloomington High School South. I am a member of Bloomington Key Club, and my sponsoring Kiwanis club is the Kiwanis Club of South Central Indiana. Other than Key Club, I am involved in track and field, National Honor Society, Bloomington South Dance Marathon, and am a Leader of Panther Activity Council at my school.

One of my main goals for my term as Governor is to connect the Kiwanis family in the Indiana District. As we all know, Kiwanis is a key factor to the success of Key Club, and if we can better the communication and interaction between Kiwanis and Key Clubs throughout the district, then both Kiwanis and Key Club will benefit. During my term, I will be encouraging Key Club Lieutenant Governors to get in contact with their Kiwanis counterparts in order to ensure that both are up to date on the happenings in the district. I also encourage Kiwanis Club members to visit the different K-Family clubs in their respective areas to further the connection between the different branches of Kiwanis. If you ever have any questions or concerns about your Key Club Division, please let me and your Key Club Lieutenant Governor know.

This next year is going to be an unforgettable experience, and I will be sure to serve the Indiana District to the best of my ability. Please feel free to reach out to me with any questions or concerns!

Yours in Service,
Colin R. Prince

Club Spotlights

Every month I will dedicate this section of the newsletter to one of the clubs in the Heartland Division. I'll choose the club based on its involvement in the community and the service projects it is part of, so make sure to keep me updated on what your club is doing and send me lots of photos!
