KEY CLUB

Hello Key Clubbers!

I hope everyone has had a great first semester filled with rewarding and fun volunteer events. As the year comes to a close, the Kiwanis family wants to celebrate a great year of service while benefitting the 3 Wishes Campaign. The Indiana Kiwanis family will be attending a Pacers game. The money raised from this event will go towards Key Club's $100,000 pledge to 3 Wishes Campaign. A percentage of the ticket price will be given to the 3 Wishes Campaign to help our goal. Every Key Clubber, Circle K member and Kiwanian is invited to join us. The game will be on Saturday, December 10th. **Tickets can be ordered until November 18th** at a cost **$25** per person. Please send money to Kiwanis International (3636 Woodview Trace, Indianapolis, IN). Those participating are invited to meet at Monument Circle at 5:30 PM. Doors to Bankers Life Field House will open at 6:00 PM and the game starts at 7:00 PM. I will attach an order form to this email; please end in the money ASAP!!

Message from your Lt. Governor

As your lieutenant governor, I am responsible for supporting clubs in my division and serving as a liaison between clubs and the district. Key Leader Recap

Key Leader was held November 4-6 at Camp Tecumseh. For those of you that went I hope you had fun, made friends, and grew as a leader! Hopefully hearing more details about Key Leader will encourage you to go next year. There was a waiting list this year so if you are interested in Key Leader 2017 start thinking about it as soon as you hear about it!

Fall Rally Recap

The Central Indiana Fall Rally was held last month. I hope all of you that were able to attend enjoyed it! For those of you who didn't attend, it was held at Kiwanis International Headquarters in Indianapolis. We watched a movie in the auditorium and did a service project for the kids at Riley Hospital for Children. It was fun but also informational. Presentations were given on the 3 Wishes Campaign (see below), Key Leader, and facts about Key Club.

Riley Liaison

If you haven't heard, the Indiana District of Key Club is supporting Riley Hospital for Children in a very big way! Over the next four years, we hope to raise $100,000 for a special project called the Three Wishes Campaign which focuses on early detection of autism. A former Lt. Governor, Mallory Watson, is serving as the Riley Liaison and is here to answer any questions you might have about our partnership:

Riley Hospital for Children Service Projects

Need some ideas on how you can help out Riley Hospital? Here are some simple ways you can help:

- no-slip socks for Riley kids
- items for the hospitality cart (Q-tips, travel size shampoo and conditioner, card games)
- super hero capes (to make Riley kids feel like they're super heroes!)
- no-sew blankets

If you are interested in doing any of these service projects simply contact me and I can send you step by step guides for the crafts or where to send the hospitality items.

Club Monthly Reports

Monthly reports are an important part of maintaining club to district level relations within Key Club. One club officer needs to fill a club report each month in order to maintain communication with the district board. To find your monthly reports go to inkeyonline.org, click on **Forums & Reports>For Club Officers>Monthly Reports**. These are due on the 10th of every month so please make sure you are filling these out every month!

District Leadership Convention 2017

The District Leadership Convention (DLC) will be held March 31-April 2. I know it seems far away but it's never too soon to start advertising it tp your members. You'll have the opportunity to meet Key Clubbers who are passionate and excited about serving their community just like you! During the DLC, we also elect the new district executive board and participate in team building activities that will strengthen your club and community.
