

# Johnny Appleseed Division Newsletter

June 2018

## Introduction

Hello Key Clubbers, I'm Joe Painter your new LTG for the Johnny Appleseed Division. Little bit about me I go to East Noble(North of Fort Wayne), I'm going into my junior year of high school, I play sports(Football, Basketball, Track), love dogs, love food, and finally love Key Club.

I CAN'T WAIT TO HAVE A GREAT WITH YALL!!!

Personal Instagram: Joepainterr

Division Instagram: We are creating it!!!

## Service

I know i get it, it's summer and everyone just wants to stay home. This shouldn't be the attitude to have! Summer is a great time to get outside with your club and serve. There is unlimited service projects you/you club could. For example your club could do anything from picking up trash to helping your elderly. Finally it's a good idea to get together with your club and talk about your future plans for this upcoming year. Do something over summer to serve!

Group of East Noble Students Working over the summer

## DLC Recap

Last year's DLC was a great experience! A lot was learned and a lot of fun was had by all. DLC was a 3 day experience, Day 1 was full of introductions and getting everyone to meet each other. (missed this day so I don't really know what happened :( )

Day 2 was full of fun, it started with breakfast and workshops. Remy Fisher taught a workshop (passed LTG) she taught how to give a proper speech. In this many people learned how to give a proper speech, personally I learned to not fidget and to stay still. After this they had a good lunch. After this a lot of people got to have a break and walk around the way right next to the hotel. While people walked around the hotel they held elections for the people that were running office like governor and etc. After all this people came back and had a great dinner. Finally they finished the night with dance!

Day was the 3rd and final day. There was a great breakfast and they announced all the new LTG's. It was a good time. Overall it was a great experience!

## Circle K

IN COMING SENIORS READ THIS!!!

Circle K is the next level of Kiwanis. It is for people that our in college who want to serve! A Lot of people do this and it is a great way to make friends in college and help serve people to make this world a lot better. Circle K is the world's largest student-led collegiate service organization. Joining Circle K you will gain resume worthy skills, find lifetime friends and help others!
