I have enjoyed being the LTG for the land of lakes division so very much and I hope to do it again! My goals for the end of my term are to get to know as many of you as I can and attend projects with you! Not only do I want to be here for you as a lt. governor, but I want to be here for you as a friend! Please let me know when your club is doing projects so I can attend!

Also, on 11/21/16 I am having my next DCM, hopefully we can have it at the library again! Dinner will be provided- probably pizza and drinks!! We will also have a service projects and have a CKI Speaker! Bring in canned goods as well if you are able to!!
