

June Newsletter

Land of Lakes and Explorer
Divisions

Introduction

Hello everyone, Cade Richardson again! I hope this last portion of your summer is going well! In this newsletter I will be covering Club visits, Club Social Media, Summer Service, Officer training, Three Wishes fundraising, and Recruitment.

Club Visits

Starting us off, I will be planning some club visits this year at each club in the division. I will be sitting in on a meeting and hopefully giving a little bit of information on what is happening on the state level, and international level. I hope to visit each club at the very least one time, but I will attempt to come more than once if at all possible!

Club Social Media

Social media is a great way to keep informed on things going on in our district, or a great way to see cool service projects or get to know me better. The board also wants to see you guys and your service projects. So, if your club has a twitter or an instagram, please reply to this email and let me know your information that way we can follow you on our board accounts and repost things that we think are great! Like always, we also

have district social media, feel free to follow us on the following sites:

District board:

Instagram: @inkeyclub

Twitter: @IN_KeyClub

Instagram: @_caderichardson_

Twitter: @cademike101

Service Through the Summer

As we get later in the summer, we still need to be serving our communities while we are in key club. There are many great ways to do this that I highlighted in my previous newsletter, but now since school is approaching, there are bound to be back to school events in your area. I know local churches provide school supplies and backpacks to kids in the area, that would be a great way to get involved at the end of this summer, so contact local groups to get involved!

Officer Training

As you elected your incoming board of directors this past spring, I would love to come and train each of you individually on your jobs, and give you some tips! To set this up please feel free to email me at landoflakes.ltg@gmail.com. This can take place in person or on a google hangouts, I am very flexible. I have prior experience with almost every position at the club level, so I am here to be a resource for you!

Three Wishes Fundraising

One of the district board's goals is to raise money for the Three Wishes Campaign. We also want to get all clubs in Indiana involved in raising money for this charity. If you don't know, Three Wishes is a charity going directly towards making healthcare of patients around the world greatly improve. This includes making diagnosis easier and quicker for patients, and helps fund the tools that are less invasive and easier to use so the patients have a better healthcare

experience. For more information visit
http://www.wwl.nhs.uk/charitable_funds/.

Recruitment

One big thing that comes with being in Key Club is volunteering, but without volunteers, that is impossible. So the district board wants to keep expanding our reach into the community, and that requires more and more volunteers. If you haven't already, get your friends to join Key Club! This will help us achieve more as an organization and grow as a community!

Bookmark it

The logo consists of the words "SAVE", "THE", and "DATE" stacked vertically. Each word is in a different color: "SAVE" is green, "THE" is blue, and "DATE" is pink. The letters are bold and sans-serif.

We will be having a division council meeting at The Goshen Public Library on Saturday, August 18th at 2 PM. I hope to see you there!
