

Robert F. Lucas

Key Club Leadership Scholarship

Purpose: The Robert F. Lucas Key Club Leadership Scholarship is established to recognize outstanding club and district leaders in the Indiana District. It was created in 2018 in memory of Bob Lucas who served as Key Club International Administrator in the 60's and 70's and who was widely known for his ability to inspire members of the organization during one of its pivotal growth periods. He was a mentor and advisor to scores of youth who would later become leaders in business, non-profits, education, government, and communities worldwide. Mr. Lucas died February 23, 2017.

Mr. Lucas was a compassionate man, loved by his family and friends. He was a volunteer in his community serving the needs of the homeless, hungry, and as a pre-school volunteer. Indeed, it was this sense of caring for his fellow man that was the genesis of Key Club International changing its original organizational motto from "We Build" to "Caring...Our Way of Life" in 1977. In that same year, Key Club International sought to further recognize his contributions to the organization with the naming of the Robert F. Lucas Outstanding Lt. Governor Award, an award recognizing outstanding achievement by Key Club lieutenant governors.

The Scholarship: A monetary award of \$2,000 will be provided to the recipient of this scholarship. Use of the awarded funds is at the discretion of the recipient. It may be used for further education, community needs, support of other organizations, starting of a new service project, or anything that would further the principles of caring that so exhibited the life of Mr. Lucas. This scholarship is funded by Friends and Family of Robert F. Lucas.
