CHECK IT OUT!

Division Wide Project

The first item(s) we will be collecting for our Rescue Bags are gently used backpacks and/or small duffle bags. The deadline for backpacks will be September 10th. I will contact your advisor and set up a time to pick up your donations' have set a goal of 20 Rescue Bags for each club, but that doesn't mean that your club has to stop donating at 20 though.

Meet Your Trustee

"My name is Tiffany Hang, and I am honored to introduce myself as your 2016-2017 International Trustee. This year I will be serving the Indiana, Pennsylvania and the Utah-Idaho Districts. I am ecstatic to be able to serve alongside your district and see what great things we will accomplish together.

As International Trustee, I will serve as a liaison between the district and international levels. I will work alongside our sister districts and foster a strong relation between the three districts. I will communicate and correspond to you all information regarding Key Club International and will assist and represent the voices and opinions of the Indiana District.

To keep you all informed on the work and information regarding Key Club International, I will be contacting you all with emails as well as monthly newsletters."-Tiffany Hang

Meet Your Governor

"I am a rising senior at Fremont high school, in Fremont Indiana - the very northeast you can get and stay in Indiana. My major goal for my term is to strengthen the retention rate for Key Clubbers so in the future there will be more Kiwanians. I plan to achieve this by inspiring teenagers into wanting to do more service throughout their entire lives. Also, I hope to exceed my district administration's and lieutenant governor's expectations by pushing my capabilities farther than I had ever thought they would reach." - Schuyler McNaughton
