## Summer Serving

Although summer is a busy time for everyone, don't forget to make time to get some service hours!

## DLC Recap and ICON

**District Lead Convention (DLC) Recap:** The entire weekend of DLC, Key Clubbers from all over the Indiana District gathered together to celebrate the past year of service. We achieved this through different workshops which built up leadership and public speaking skills, and even elected our new executive board. Through this experience, we were able to gain new knowledge and advice on how to help our clubs flourish in the future. The experience was surreal and it's an opportunity no one should ever pass up! We hope to see you next year at DLC in April 2019.

**International Convention (ICON):** This year, ICON is being held in Chicago, Illinois on July 4<sup>th</sup>-8<sup>th</sup>. Although registration has been closed, in the newsletter following the convention I will be able to share all the proceedings and events at the convention to keep all the clubs informed, whether in attendance or not.

## Club Visits

Throughout my year of service as Lieutenant Governor, I will be doing club visits to each of the clubs in the division. I am super excited for this opportunity to see the activities of all the clubs throughout the division and also to serve as a resource for all of you!

## Star Spotlight

We don't make keys.  
We make a difference.

With each monthly newsletter, I will also be selecting a club or member that has excelled in the previous month. Due to this being my selection, please keep me updated throughout the month on club service projects or members that have gone above and beyond!

## Division Council Meetings (DCM)

As part of my duties, I will be holding at least 5 DCMs throughout the year for the division. At these meetings, I ask that all clubs are in attendance and represented as this is a valuable resource to share ideas about projects, fundraising, and service. I will be holding my first DCM during the beginning of the school year. When closer to that time I will reach out to everyone with more details!

# Governor's Introduction

Dear Indiana District Kiwanis Family Members,

My name is Colin Prince, and I am the newly-elected Governor for the Indiana District of Key Club International! With that being said, I would like to introduce myself and share my goals for the year ahead.

For those of you who do not know me, I am an upcoming senior at Bloomington High School South. I am a member of Bloomington Key Club, and my sponsoring Kiwanis club is the Kiwanis Club of South Central Indiana. Other than Key Club, I am involved in track and field, National Honor Society, Bloomington South Dance Marathon, and am a Leader of Panther Activity Council at my school.

One of my main goals for my term as Governor is to connect the Kiwanis family in the Indiana District. As we all know, Kiwanis is a key factor to the success of Key Club, and if we can better the communication and interaction between Kiwanis and Key Clubs throughout the district, then both Kiwanis and Key Club will benefit. During my term, I will be encouraging Key Club Lieutenant Governors to get in contact with their Kiwanis counterparts in order to ensure that both are up to date on the happenings in the district. I also encourage Kiwanis Club members to visit the different K-Family clubs in their respective areas to further the connection between the different branches of Kiwanis. If you ever have any questions or concerns about your Key Club Division, please let me and your Key Club Lieutenant Governor know.

This next year is going to be an unforgettable experience, and I will be sure to serve the Indiana District to the best of my ability. Please feel free to reach out to me with any questions or concerns!

Yours in Service,

Colin R. Prince
