

SYCAMORE SOUTH UPDATE

Introduction to Sycamore South Newsletter

Hello Sycamore South Key Clubbers! This is the first newsletter of the many that will be sent out throughout my term as Lieutenant Governor. These newsletters that I'll be sending out on monthly basis contain information about the events in the District of Indiana along with information about our Sycamore South Division. These newsletters will be sent out on the week of the 15th each month and I encourage you to check your emails regularly for these newsletters and pay close attention to them due to the crucial and immediate information that they could contain.

ATTENTION SENIORS!

Still want to continue to be a part of the Key Club family after you graduate, but just confused on how to do it? Well then Join Circle-K at whatever college you plan to go to. If you have any questions, please feel free to reach out to your club advisor or me and I will try my best to help you out. The Circle K International website, www.circlek.org, is a really helpful resource as well.

Summer Service!

I hope everyone's summer has been going great so far but we also have a ton of time left before we have to get ready for school! Use the time that you've got during the summer to try and get in more service hours! Remember every hour counts!

Divisional Council Meetings

I will be holding DCMs, Divisional Council Meetings, where all the clubs in our division come together to discuss and share ideas about regarding key club. I'll be holding the first DCM, at the beginning of the school year and will have a minimum of 5 meetings throughout the year. I haven't yet decided where the meetings will be held yet and I am definitely open to ideas, but I'll send out more information soon. It is a fun way to be around and work with people with the same interest as you and I hope to see you there!

Club/Member Spotlight

Each month, in my newsletters I'll be focusing on one specific club or member in the division and their contribution to the Key Club family including the different service projects that they have been doing. So please keep me up to date on the different service projects and the it's impact so I can decide who to focus on. I hope that I have a hard time deciding who to choose so get involved and help out as much as possible!

Club Visits/Projects

During the course of my term I will visit each club meeting in the division at least once so please let me know when your school has their regular club meetings. As Lieutenant Governor, I would like to be as much help as possible so please feel free to reach out to me with any questions that you have. If there are any events that you would like for me to attend, for instance, service projects or fundraisers just let me know!

DLC

The DLC, that stands for the District Leadership Convention, is an entire weekend where Key Clubbers from all over Indiana District gathered together to celebrate their past year of service! Throughout the weekend different workshops that build up leadership and public speaking skills are offered. The new executive board is also elected during the convention. This experience gives new knowledge and advice on how to help your clubs flourish in the future. The experience is surreal and is an opportunity no should ever pass up! DLC next year is in April 2019 and we hope to see you there!

ICON

ICON is the International Convention for Key Clubbers where you can meet and network with people across the US, Canada, and Caribbean! ICON this year is being held in Chicago, IL on July 4th-8th. You can register to attend this life changing event at <http://keyclub.org/convention>. For more information go to <http://www.inkeyonline.org/icon-2018.html>.

Governor's Introduction

Dear Indiana District Kiwanis Family Members,

My name is Colin Prince, and I am the newly-elected Governor for the Indiana District of Key Club International! With that being said, I would like to introduce myself and share my goals for the year ahead.

For those of you who do not know me, I am an upcoming senior at Bloomington High School South. I am a member of Bloomington Key Club, and my sponsoring Kiwanis club is the Kiwanis Club of South Central Indiana. Other than Key Club, I am involved in track and field, National Honor Society, Bloomington South Dance Marathon, and am a Leader of Panther Activity Council at my school.

One of my main goals for my term as Governor is to connect the Kiwanis family in the Indiana District. As we all know, Kiwanis is a key factor to the success of Key Club, and if we can better the communication and interaction between Kiwanis and Key Clubs throughout the district, then both Kiwanis and Key Club will benefit. During my term, I will be encouraging Key Club Lieutenant Governors to get in contact with their Kiwanis counterparts in order to ensure that both are up to date on the happenings in the district. I also encourage Kiwanis Club members to visit the different K-Family clubs in their respective areas to further the connection between the different branches of Kiwanis. If you ever have any questions or concerns about your Key Club Division, please let me and your Key Club Lieutenant Governor know.

This next year is going to be an unforgettable experience, and I will be sure to serve the Indiana District to the best of my ability. Please feel free to reach out to me with any questions or concerns!

Yours in Service,
Colin R. Prince
